Mr. Craig Vinson
Granville Home Furnishings
Montgomery, Alabama

Dear Craig,

As you know, we have been working with Leslie Sanders at Alabama Power on several projects for their Montgomery office. Out of an abundance of caution because of Jim's position with the Ethics Commission, I do not expect and will not accept any commissions on sales to the Alabama Power Company. I would like for Granville to be the sole beneficiary of those sales.

I would appreciate you placing a copy of this letter in the Leslie Sanders/Alabama Power Company file. Thanks.

Sincerely,

Deanna B. Sumner
